[GitHub] A third-party OAuth application has been added to your account

GitHub <noreply@github.com>

28 de abril de 2026 a las 16:56

Para: Kilitho <kiliantho@gmail.com>

Hey Kilitho!

A third-party OAuth application (Streamlit) with admin:repo_hook, codespace, public_repo, read:org, and user:email scopes was recently authorized to access your account.

Visit <https://github.com/settings/connections/applications/06f8c147652718282386> for more information.
